2024-2029 Snow and Slush Removal and Ice Control Services for Monroe Campus in Monroe County– Finger Lakes DDSOO - IFB FL 053024

### Questions and Answers:

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

1. **Question:** Would it be possible to get a list of all previous bidder's cost proposals?

**Answer:** This procurement is in a restrictive period, such records will not be provided, and are exempt from FOIL until the contract resulting from this IFB is fully executed.

2. **Question:** What is the total square footage for each: parking lots, roads, and pathways?

**Answer:** OPWDD does not have the requested square footage information available for this site. As stated in IFB FL 053024 Page 4, 7. Site Visit: It is the responsibility of the bidder to know the site(s) requirements based upon the service being requested.

Respectfully,
